

THE THIRD SUNDAY AFTER EPIPHANY
 JANUARY 22, 2017

JESUS reached out His miraculous hand in charity to an outcast leper and to a pagan foreigner. These two strangers were attracted to Christ and disposed to believe in Him because of the outstanding miracles He worked. But it was necessary for them to believe definitely, before Jesus would do what they asked.

The compassionate love of Christ teaches us to look to the needs of people, without judging their consciences. Sometimes their distress will be all the greater in proportion to the injury they may have done us. And no one is more destitute than the one who has lost his self-respect and is reduced to begging. Our kindness to those in difficulty will be a sign, a reason for men to believe that the compassion of Jesus is still at work.

Following the reception of Holy Communion, it is proper to return to your pew, kneel, and make your **Thanksgiving after Communion** (Missal, pg. 51 or St. Ambrose Prayer Book, pg. 177). If you have not received Holy Communion, you should make a **“Spiritual Communion”** (St. Ambrose Prayer Book, pg. 187). This is far more spiritually beneficial and preferable to “people-watching.”

PARISH HOSPITALITY

Thank you to all of our Coffee Hour Hosts! This ministry within our parish is so valued. If you have not taken an opportunity to provide refreshments to your brothers and sisters and our visitors, you can sign up on the Sign-Up Sheet by the door to the entrance of the Kitchen. You can always ask another family or person to "partner with you" and if it is a financial strain, please let Father John or someone on the Parish Council know as funds are available to help out and encourage everyone to take a turn. Don't forget—**WE NEED CLEAN-UP HELP** every Sunday as well. You have no doubt seen our little friends (mice). Part of the problem is that we are not emptying the trash **EVERY WEEK**.

Think about it: The bald fact the enemies of God must face is that modern civilization has conquered the world, but in doing so has lost its soul. And in losing its soul it will lose the very world it gained. Even our so-called Liberal culture in these United States, which has tried to avoid complete secularization by leaving little zones of individual freedom, is in danger of forgetting that these zones were preserved only because religion was in their soul. And as religion fades so will freedom, for only where the spirit of God is, is there liberty. +*Fulton J. Sheen*

EPIPHANY WATER

The Holy Water blessed for the Epiphany is available in the Holy Water receptacle in the Narthex of the Church. Please feel free to take some home with you. According to Orthodox doctrine, holy water has the power to sanctify and heal. Have each family member drink a small amount of the holy water from Epiphany. Keep the unused holy water in your home prayer corner for future use: times of adversity, before starting a new venture or trip, to give thanks, or when someone is ill. You may drink it or anoint yourself when you feel spiritually afflicted. To rid the house of evil spirits, it should be sprinkled in the four corners of each room. We have Holy Water Bottles available in the Book Store.

OCLIFE MOVEMENT

WHILE ALL ORTHODOX CHRISTIANS are, by definition, pro-life, the members of Orthodox Christians for Life endeavor to raise awareness of the abortion industry and related affronts to the sanctity of human life.

The scourge of abortion is the greatest genocide to have darkened the history of man. OCLife hopes to educate Orthodox Christians about the many good efforts of the Pro-Life Movement, encouraging greater involvement and zeal in them. This is one facet of how the Church can more effectively serve as leaven within society, thus cultivating the healing, love, chastity, and family stability that can help men and women grow into the fullness of the stature of Christ Jesus.

This Friday, January 27, 2017 marks the 44th Anniversary of the Roe v. Wade decision that legalized abortion in the United States, on which Orthodox Christians from across the country will

gather in the US Capital for the annual MARCH FOR LIFE or participate in similar regional gatherings.

Orthodox Christian hierarchs, students from Orthodox seminaries, and clergy and faithful from around the country will take part in the annual March, which will conclude with prayers on the steps of the US Supreme Court building for the victims of abortion.

If the Church Fathers saw abortion in any way as a "choice," they saw it as the culmination of a series of bad choices. St. John Chrysostom, for one, places abortion at the pinnacle of "choices" that begin with self-indulgence ("drunkenness"), promiscuity, adultery, and finally the abortion of an unwanted child.

The Church Fathers Speak: Universal life would proceed according to nature if we would practice continence from the beginning instead of destroying, through immoral and pernicious acts, human beings who are given birth by Divine Providence. *St. Clement of Alexandria* (+216)

From the Holy Fathers: The devil is afraid of us when we pray and make sacrifices. He is also afraid when we are humble and good. He is especially afraid when we love Jesus very much. He runs away when we make the sign of the Cross. *St. Anthony the Great of Egypt* (+356)

Wisdom from the Church Fathers: A woman who deliberately destroys a fetus is answerable for murder.

Those who give potions for the destruction of the child conceived in the womb are murderers, as are those who take potions which kill the child.

... we do not have a precise distinction between a fetus which has been formed and one which has not yet been formed.

"... any hairsplitting distinction as to its being formed or unformed is inadmissible with us. *St. Basil the Great* (+379)
